

Father's Day Sunday 20th June 9.30-10.30am
@ Hut-on-the-Hill
For families & children of any age

Welcome to our first **Father's Day Muddy Church**.

Muddy Church is an interactive church service outdoors for all ages - toddlers to teens + adults. An hour of fun and outdoor craft activities to enjoy learning about God outdoors.

There's no need to book, just turn up. Park in Christ Church car park and come across to the Hut-on-the-Hill. We'll go ahead whatever the weather! - if it rains dress for water slides etc & bring a change of clothing!

Parents please stay with your children & supervise at all times - enjoy the activities as a family, they'll be a fun! Arrive for 9.25am to make name badges & register with Test n Trace.

Our theme is Father's Day with a super mix of hands on craft activities, exploring how our Heavenly Father cares for each of us. Make your own bird feeder, a tangle triangle and much more!

We'll be singing 'My God is Powerful' in case you want to practise! <https://youtu.be/Y1MDCwirYoQ>

What to wear: dress to mess, no smart clothes! Be careful of your footing if the grass is wet.

Safety: we'll be following the government Covid restrictions carefully please keep an appropriate social distance from others. If you or anyone you've been in contact with have shown any Covid symptoms please stay at home. We've been very careful in our planning but we come at our own risk, please keep yourself & others safe.

On the day please bring with you ... an empty plastic 500ml bottle per child, hand wipes and hand sanitiser (please wipe your own and your child's hands regularly). Bring your own toasting forks for marshmallows at the end!

Refreshments: free tea & coffee available for adults please bring your own drinks & snacks for the children.

Collection ... just drop your church offering in the buckets as you leave or give through the website – thank you!

It'll be wonderful to worship our God getting muddy outdoors!

Any questions just ask
